## Guidelines for Worshipers

- There will be **one in-person worship service** at 10:30. The service will be recorded and available on the St. Mark website on Sunday afternoon. Worshipers wishing to attend in-person services must follow these guidelines. If you are **not comfortable with in-person worship** at this time, you are encouraged to watch or listen to the service using the links on the St. Mark website.
- **Only the front entrance** will be open. Please use the front parking lot. Only the Sanctuary, Narthex, and restrooms will be open. All other areas should be considered off-limits at this time. Please plan to arrive between 10:15 and 10:25 am.
- At this time, there will be **no Sunday School, no nursery and no fellowship time** in the parlor. Feel free to visit with your friends in the parking lot after the service.
- Worshipers will be **greeted at the front door and screened**. Those who feel well, have not come in contact with suspected COVID patients and do not have a fever will be admitted. Worshipers are asked to maintain six feet separation between arriving parties. Please review the **Self Screening Questions** (see back) before arriving.
- Worshipers **must wear masks**, covering both nose and mouth, at all times while in the church. We will have masks available, if needed. Hand sanitizer will be conveniently located and you are asked to use some before entering the Sanctuary.
- Arriving parties will be **seated by an Usher**. Seating will be limited to six feet between parties in the pews. Orders of worship will be placed in available seating locations. Additional Orders of Worship will be available from the Ushers.
- The **offering plate** will be located at the back of the Sanctuary and offerings may be placed while entering or exiting. On Communion Sundays, individual Sacraments will be available at the rear of the church and should be picked up on entering.
- During the service, **worshipers may respond softly during unison and responsive readings and may hum or sing softly on the choral responses**. They must leave their masks on, mouth and nose covered.
- **Following the service**, worshipers will remain in their seats until directed to leave by an Usher. They are asked to take their Orders of Worship to the back and place them in the recycle bin or they may take them home as they exit the building.
